Safety Instructions:

- Safety goggles must protect against direct view of the sun.
- To ensure a secure fit with every movement, the headband should be checked regularly for damage.
- The glasses should not be used if they are damaged or destroyed.
- In case of chemical reactions with liquids, remove glasses immediately and rinse eyes thoroughly if necessary.
- Check the glasses regularly for scratches and discolouration of the lenses to avoid distortion of vision.
- The product is not suitable for children as it may contain small parts that pose a choking hazard.
