Safety Instructions:

- Make sure that the assortment boxes are firmly secured in the safe to prevent them from sliding out during transport.
- Avoid using the safe in extreme temperatures or humid environments to ensure the integrity of the material.
- Keep the safe out of the reach of children to avoid injury from improper use.
- If the product is damaged, you should stop using it and contact the manufacturer immediately.
- Please note that the assortment box safe does not include assortment boxes, which must be purchased separately.
- Make sure that utensils are prevented from falling out when using the transport lock.
- Avoid overloading the compartments to prevent damage to the safe.
- Clean the product regularly to ensure material integrity and prolong its service life.
