Article Number: 709484

Safety Instructions:

- Ensure that the safety shoes are worn correctly and in accordance with the manufacturer's instructions.
- Avoid wearing safety shoes without the correct footbed or insoles to prevent damage to your health.
- Regularly check the condition of the shoes, especially the sole and toe protection, for damage.
- In case of contact with damp or wet conditions, make sure that the shoes are sufficiently dried to maintain waterproofness.
- The shoes are not suitable for use in extreme chemical environments, so please observe the conditions and limits of use.
