Safety Instructions:

- Please note that the use of hand tools is always associated with a certain level of risk. Ensure a safe workplace.
- Only use the reversible ratchet in the intended manner and observe the manufacturer's safety instructions.
- Always wear suitable personal protective equipment, including gloves and safety goggles, to avoid injury.
- Keep the work area clear of obstacles and ensure that you are standing stably while working with the tool.
- Check the reversible ratchet regularly for damage and do not use the product if it is defective.
