E-Mail: info@hazet.de

Please note the technical data of the products!

Article Number: 709696

Safety Instructions:

- Ensure a secure connection between the tool components to avoid accidents.
- Avoid applying excessive force, as this can damage the universal joint.
- To avoid injury, only use the universal joint in the frame for which it is designed.
- Keep the tools and the universal joint in a clean and dry condition to prevent corrosion.
- Ensure that suitable protective measures such as gloves and safety goggles are worn during use.
