Safety Instructions:

- Not suitable for children under 3 years of age due to the risk of choking on small parts.
- Not suitable for children under 14 years of age. The product must not be used by children and must be kept out of the reach of children to minimise the risk of improper use.
- The product has sharp edges that may pose a risk of injury.
- Only use the tool for its intended purpose to avoid injury or damage.
- Avoid excessive force during use to prevent damage to the tool or injury.
- Ensure that the socket spanner is used safely and only for its intended purpose to avoid injury.
- Wear safety goggles and safety gloves to avoid eye injuries and skin irritation.
- Avoid contact with moving parts to prevent injury.
- To prevent breakages or accidents, do not use the tool beyond the maximum load and do not use it with damaged blades.
- If the tool is damaged, take it out of service immediately and dispose of it.
- In case of prolonged use, protective measures for the hands should be considered to avoid skin irritation.
- Store in a safe place to prevent access by unauthorised persons.
