Safety Instructions:

- Not suitable for children as there is a risk of injury due to improper handling. Caution: Keep out of reach of children as small parts may be contained.
- Protect from direct moisture as the product is made of wood. Do not use near water to avoid damage or safety risks.
- Contact the manufacturer immediately in the event of damage.
- Use only for the intended purpose in accordance with the instructions for use. Only use safely in accordance with the instructions; improper use can lead to injury.
- Take care when using in the vicinity of electrical cables to avoid injury.
- Hand washing is recommended after handling the product, especially after processing with chemicals or colours.
- For safe and long-term use, only use within the specified temperature range.
