Safety Instructions:

- Check the pliers for damage before use.
- Do not use the pliers for applications that exceed their specifications.
- Keep product away from children.
- Wear suitable safety goggles when using pliers.
- Ensure that no hands or body parts get between the pliers and the workpiece.
- Use only for the intended purpose.
- Cutting edges are sharp; be careful when handling.
- Always ensure a secure hold on the handle.
- Avoid excessive pressure on the pliers to prevent injuries.
- Do not use in the vicinity of electrical cables if the pliers are not designed for electrical work.
