Safety Instructions:

- Only use the pliers for their intended purpose and in accordance with the manufacturer's instructions.
- Make sure to check the pliers for damage before each use. Damaged pliers must not be used.
- Keep the pliers out of the reach of children to avoid injury from improper use.
- Avoid using the pliers if you are under the influence of drugs or alcohol.
- Wear suitable protective gloves to avoid injury.
- Avoid improper use, which could lead to crushing or injury.
- Ensure that the pliers are securely adjusted to prevent slipping and are not pressed against other people's hands or body parts.
- Avoid using the pliers in the vicinity of electrical cables or in conditions where there is an electrical hazard.
- Avoid contact with water and damp environments to prevent corrosion.
- Safety instruction for use recommended to avoid injury.
