Safety Instructions:

- Ensure that the brochure wall holder is properly mounted on the wall to prevent it from tipping over and falling. Before mounting, check the wall surface for stability and suitability to ensure safe installation.
- Keep the product away from small children to minimise the risk of suffocation from small parts or improper use. Not suitable for children under 3 years of age.
- Avoid placing heavy objects on or inside the brochure wall holder to ensure the stability of the structure.
- Do not use the product in areas exposed to excessive moisture or extreme temperatures to avoid material damage.
- Ensure safe installation in accordance with the enclosed instructions. Follow the installation instructions to avoid accidents.
- When using, make sure that the compartments are not overloaded to ensure stability.
- Use by children should be supervised to minimise the risk of injury.
- Check the product regularly for damage and replace if necessary.
