Article Number: 663259

Safety Instructions:

- Beware of possible injuries due to improper handling of the film.
- The film may be slippery due to its smooth surface. Secure the film during use.
- To avoid injury from pinching or shards, the film should be used carefully and in accordance with the installation instructions.
- Store the film in a cool, dry place to prevent deterioration of the material properties.
- Packaging materials are not suitable for direct consumption.
- Keep the film away from heat sources to avoid the risk of fire.
