Safety Instructions:

- Make sure that the waste bin is not overfilled to avoid overflowing.
- Keep the container away from heat sources and direct sunlight to avoid deformation and material changes.
- Make sure that the lid is properly closed to prevent unpleasant odours and vermin.
- Do not use for the storage of hazardous substances or chemicals.
- Clean the waste bin regularly to avoid hygiene problems.
- Set up out of the reach of children to prevent injuries from falling or swallowing small parts.
- Use only for the intended purpose. Improper use may result in injury.
- Make sure that the waste bin is stable to prevent it from tipping over.
- Must not be placed near naked flames or heat sources. Risk of injury due to sharp edges if handled incorrectly.
