Safety Instructions:

- Not suitable for children, especially under 3 years of age, to avoid injury and choking hazard from small parts.
- Make sure that the waste bin is stable to prevent it from tipping over.
- Operate the touch bar mechanism in accordance with the manufacturer's instructions and check it regularly to avoid injury.
- Ensure use only for the intended purpose (waste disposal).
- Keep the product out of the reach of children.
- Avoid overloading the waste bin to prevent damage and overflowing.
- Do not dispose of flammable materials in the waste bin.
- Avoid placing heavy or hot objects in the waste bin to prevent injury or scalding.
- Keep the waste bin away from heat sources to prevent deformation of the plastic.
- Do not place any permanent or sharp objects in the waste bin to avoid damaging the interior.
- Clean regularly to ensure hygiene and prevent odours.
