## Safety Instructions:

- Caution: Contains small parts that can be swallowed by children under 3 years of age and should therefore be placed out of reach of children.
- Use under adult supervision is recommended to avoid possible injury.
- Regularly check the stability of the connecting elements in modular installations and ensure that the waste bin is stable, especially if several units are connected.
- Please note that the container is supplied without a lid, which could jeopardise safety if not used properly. Order lid separately.
- Avoid contact with sharp objects that could damage the container.
