Safety Instructions:

- Caution: Risk of injury and crushing due to improper handling of the pedals. Avoid excessive strain or force.
- Store in a childproof place and keep away from children to avoid the risk of injury and choking on small parts.
- Do not store the product near heat sources, open flames or damp locations. Protect it from moisture to prevent mould growth.
- Please ensure that the waste bin is placed on a stable and level surface to prevent it from tipping over.
- Do not close the lid with excessive force and ensure that it is properly locked to prevent accidental opening and to avoid injury.
- Only use for the intended use and waste separation in accordance with the attached instructions. Do not fill with liquids or hazardous materials.
- When using the appliance, watch out for sharp edges and dispose of sharp objects safely to avoid the risk of injury.
- Clean the pedal bin regularly and follow the manufacturer's maintenance instructions to ensure hygienic conditions.
- The container is not watertight. Be careful with overflow to avoid damage.
- Take care when using the cushioned lid to avoid crushing injuries. At the same time, take care when operating the cover carelessly to prevent injury to hands.
