Safety Instructions:

- Ensure that the coat stand is placed on a stable, level surface to prevent it from tipping over.
- Apply the parking brakes on the castors before use to ensure stability.
- When loading and unloading the stand, make sure that the weight is evenly distributed to avoid overweight on one side.
- Do not overload by more than the maximum specified load capacity of 30 kg.
- Only use the product indoors to avoid weather damage.
- Follow the assembly instructions and ensure that all parts are correctly assembled to ensure safe use.
