## Swivel chair All-in-One 9640, with glider

Please note the technical data of the products!

**Article Numbers:** 141824, 141823, 141822, 141821, 141820

### Safety Instructions:

- Ensure that the chair is only used on stable and level surfaces to prevent it from tipping over.
- Regularly check the gas spring and the height adjustment mechanism for proper functioning.
- Ensure that the maximum load of 120 kg is not exceeded.
- Supplied with clear assembly and safety instructions.
- Choking hazard due to loose small parts during assembly or use.
- Make sure that there are no objects under the chair when you move it.
- The chair is only suitable for use by adults; children should not play alone near the chair.
- Risk of slipping due to insufficient adhesion of the floor gliders on smooth surfaces.
- Take care when cleaning with chemical cleaning agents that could damage the materials.
- The backrest could break if used incorrectly and cause injury.
- Ensure correct installation of the safety gas spring to avoid injury and risk of electric shock.
- Risk of accident due to incorrect seat height adjustment. Only adjust the seat height while seated and ensure that the gas spring is securely and correctly engaged.
- Make sure that the chair is checked regularly for loose parts to ensure safety.
- Avoid tilting the chair during use.
