

Product Safety Information

Industrial swivel chair 9653, imitation leather, castors, black

Please note the technical data of the products!

Article Numbers: 46006, 46005, 151948, 151947, 151946

Safety Instructions:

- Only use the chair on stable, flat surfaces to prevent it from tipping over.
- Adjust the height correctly and safely to avoid crushing.
- Check the castor function regularly to ensure safe movement.
- Check the chair regularly for damage and wear to minimise safety risks.
- Assemble all parts correctly before use.
- Supervise children when using the chair to minimise the risk of falling.
- Avoid risk of suffocation due to improper use of the settings.
- Not suitable for children under 36 months due to moving parts.
- Be aware of the risk of slipping on unsuitable floors.
- Provide safety information and instructions in understandable language.
- Use only on hard floors; use a suitable underlay on carpeted floors.
- Check screws and castors regularly for tightness.
- Keep the chair away from heat sources and direct sunlight to prevent material damage.
- Do not place heavy objects on the chair in excess of the permitted maximum.
- Keep the chair away from liquids to prevent damage to the artificial leather.
- Ensure safe use through stable construction.
- Gas spring height adjustment must function properly.
- Use the safety double castors correctly to avoid wobbling or tipping over.
- Inform the manufacturer in the event of transport damage.
