Safety Instructions:

- Make sure that the table is stable and on a level surface to prevent it from tipping over.
- Keep the table away from heat sources to prevent material distortion.
- Avoid using sharp objects or aggressive cleaning agents on the surface to prevent scratches.
- Follow the manufacturer's installation instructions exactly to ensure safe use.
- Check and tighten all screws and connections regularly to ensure stability.
- The table is not designed for commercial use or as a ladder/play equipment.
- Keep children away to avoid injury; the product is not intended for children under 12 years of age.
- Avoid using near water sources to prevent damage to the materials.
- Avoid placing heavy or hot objects directly on the tabletop to prevent damage.
- Regularly check and adjust the levelling screws to ensure stability.
- Keep the table away from sharp edges and watch out for sharp table legs when setting up or moving it.
