Safety Instructions:

- Keep small children away from this product to avoid the risk of choking or falling.
- Ensure that the product is placed on a stable and level surface to prevent it from tipping over or wobbling.
- Only use the product for its intended purpose to avoid injury and damage.
- Follow the assembly instructions exactly and ensure that all parts are securely and stably mounted.
- Avoid sharp objects and chemicals on the table surface to prevent scratches and damage.
- Clean the table regularly with suitable cleaning agents to protect the surface.
- The table is not suitable for children under 3 years of age and should be kept out of their reach.
- Avoid placing heavy or excessive weight on the tabletop to minimise the risk of it tipping or falling over.
- Keep the table away from moisture and direct sunlight to prevent damage to the chipboard.
- Regularly check the stability of the table legs and ensure that all screws and connections are tight.
- Take care with sharp edges or tools during installation to avoid injury.
- The table must not be used as a climbing frame, ladder or to support heavy equipment.
- Ensure the dimensions and weight of the table to avoid overloading.
- The table should only be used in suitable rooms and environments.
- When delivering, assembling and transporting the table, ensure that suitable technology is used to prevent damage or injury.
- Set the levelling screws correctly and only use them for levelling.
