Article Numbers: 439649, 439647, 439646, 439645, 439642, 439641, 439409, 439407, 439406, 439405, 439402, 439401, 439169, 439167, 439166, 439165, 439162, 439161, 440129, 440127, 440126, 440125, 440122, 440121

Safety Instructions:

- Do not exceed the maximum load capacity of the workbench: 750 kg. Per shelf: 50 kg, per drawer: 80 kg.
- Make sure that the workbench is placed on a stable and level surface to prevent it from tipping over.
- Only use the workbench for its intended purpose to avoid injury.
- Take ESD protection measures into account when working with electronic components to prevent damage.
- Avoid contact of the workbench with aggressive chemicals to protect the surface.
- Wear suitable personal protective equipment, such as gloves and safety goggles, when working with tools.
- Keep children away from the workbench to avoid accidents.
- Ensure that the workbench is securely anchored to the floor to prevent it from tipping over.
- Before use, check all components and connection points for damage and stability.
- Keep moisture or wetness away from MDF-based surfaces to prevent damage.
- Distribute heavy objects evenly to avoid overloading the shelves.
- Open and close drawers carefully to avoid crushing.
- Secure the workbench against uncontrolled movements or shocks during use.
- Clean chemical residues from the surface immediately to prevent damage.
