Safety Instructions:

- Please wear safety goggles to avoid eye injuries.
- Keep out of the reach of children.
- Read the operating instructions before use.
- Dispose of the product in accordance with local regulations for hazardous waste.
- Avoid use in damp or wet weather to minimise the risk of slipping and electric shock.
- Use suitable personal protective equipment (PPE) such as gloves and safety goggles during use.
- Make sure that the drill is stable to prevent vibrations and unwanted slipping.
- Before use, check that the drill bit is intact and free from damage.
- When drilling, always guide the drill bit in the recommended direction to avoid damage.
- Use a suitable drill bit for the material to be processed in order to minimise material damage and safety risks.
- Keep the work area clean and tidy to avoid falls and accidents.
- Secure loose clothing and hair to prevent it from getting caught in machine parts.
- Use only by qualified personnel to avoid accidents.
- Do not touch the drill when it is in use to avoid burns.
- Use the product only for its intended purpose; do not use in the vicinity of children.
- Not suitable for use by persons under 16 years of age.
- Ensure safe handling during use to avoid injury.
