Safety Instructions:

- Observe the maximum load capacity of 30 kg.
- Do not exceed the recommended maximum load capacity of 25 kg.
- Do not overload to avoid damage or injury.
- To prevent breakage, do not drop the case or handle it improperly.
- Protect from extreme temperatures and direct sunlight.
- Use only for the intended use in commercial or private areas.
- Before use, ensure that all tools are in perfect condition.
- Use VDE insulated tools to minimise the risk of electric shock.
- The product is not suitable for children; keep out of the reach of children.
- Wear suitable personal protective equipment when working with electrical appliances.
- Check the tool regularly for wear and damage.
- Ensure that the toolbox is stored in a safe, stable place.
