### Safety Instructions:

- Always wear safety goggles and suitable protective equipment such as gloves to avoid eye injuries and direct skin contact.
- Use hearing protection to protect your hearing.
- Keep the work area clean and tidy and free from unauthorised persons, especially children, to prevent accidents.
- Ensure that the tool is in perfect condition and is checked for damage before use.
- Avoid using tools in an unsecured position to minimise the risk of accidents.
- Store the flat chisel in a safe place, out of the reach of children.
