Article Numbers: 733764, 733763, 733762, 733761, 733760

Safety Instructions:

- Wear safety goggles and suitable protective clothing such as gloves to avoid eye and skin injuries.
- Fit the saw blade correctly before use and do not work with a damaged, worn or rusted saw blade.
- To avoid cutting injuries, do not touch the saw blade while it is rotating or running.
- Read and follow the manufacturer's instructions carefully before use.
- Keep the product out of the reach of children and do not leave unattended.
- Product not suitable for children under 3 years of age due to small parts and choking hazard.
- Keep fingers and hands away from the saw blade rim to avoid cutting injuries.
- Only use the product for its intended purpose in order to minimise hazards.
- Take care when working in the vicinity of flammable materials.
- Only use the saw blade for the specified materials (e.g. non-ferrous metals, plastics).
- Only operate saw bands or saw blades at the recommended maximum speed.
- Store the saw blade in a dry, safe place to avoid damage and accidents.
- Wear clothing that protects the body from falling objects.
- Keep children and untrained persons away from the work area.
- Please always wear personal protective equipment, including hearing protection, when working with this product.
- Do not crush or overload the cutting tool under force to avoid the risk of breakage.
