Safety Instructions:

- Risk of injury due to improper use; use with care.
- The interface must be secured to prevent damage.
- Wear safety goggles and gloves to avoid eye injuries and cuts.
- Keep children away from the machine. Not suitable for children under 14 years of age.
- Watch out for foreign objects in the workpiece and flying splinters/debris during cutting.
- Keep a safe distance to avoid injury from flying parts.
- Do not use in the vicinity of flammable materials.
- Check the saw blade for damage before use.
- Use suitable protective clothing and hearing protection when using the circular saw.
- Read the operating instructions before installation.
- Keep your hands away from the cutting edge.
- Before cutting, check that the saw blade is properly secured.
- Avoid cutting unsuitable materials for the saw blade.
- Only use saw blades that are compatible with the machine.
- Do not leave the machine unattended during operation.
