Safety Instructions:

- Ensure that the table clamp is mounted on stable and level surfaces to avoid accidents.
- Do not use beyond the maximum clamping force of 1800 N.
- Store in a childproof place to avoid accidents.
- Improper handling can result in crushing injuries.
- Check for proper installation and complete functionality before use.
- Check the clamping force before use to avoid over-tightening or damaging workpieces.
- Do not touch the ergonomically shaped wooden handle with wet hands to prevent slipping.
- When clamping workpieces, ensure that fingers are not in the clamping area to avoid injury.
- Only use the product for its intended purpose and do not overload it.
