Safety Instructions:

- Not suitable for children under 3 years of age due to the risk of cuts.
- Not suitable for children - follow manufacturer's instructions.
- Always wear suitable protective clothing and safety goggles when working with the pliers to avoid eye injuries from flying pieces of wire.
- The blade can become sharp and cause injuries if handled incorrectly. Sharp edges can cause cuts, so take care when using the blade incorrectly.
- Only use the pliers for their intended purpose and ensure that the intended materials and wire gauges are used to prevent damage.
- Check for damage before use. Damaged tools must not be used.
- Keep the pliers out of the reach of children.
- Risk of injury due to improper use, therefore take care when using wire.
