Article Numbers: 734706, 734705

Safety Instructions:

- Wear suitable protective equipment such as safety goggles and gloves.
- Secure the sawing area against unauthorised access.
- Follow the operating instructions to avoid improper use.
- Take care when working with the saw blade to avoid injury.
- Only use for the intended materials and check the saw blade for wear.
- Use only recommended by qualified persons.
- Ensure that the saw blade is correctly mounted and secured to prevent it from twisting or coming loose.
- Only use the saw blade with suitable machines that are designed for its specifications.
- Keep the surrounding area free of obstacles and ensure a stable stance while sawing.
- Avoid touching the sharp edges of the saw blade, especially when the machine is stationary.
- Read the operating instructions carefully before using the saw blade.
- Keep children and pets away during operation.
