Article Numbers: 402406, 402405

Safety Instructions:

- Observe the maximum load capacity of 150 kg. Do not overload to avoid possible damage to the shelf and the cabinets.
- Before installation, ensure that the product is correctly inserted into the steel cabinets.
- Sharp edges can pose a risk of injury, so work carefully. Personal protective equipment such as gloves should be worn during handling.
- Use with care to avoid injury from falling.
- Keep out of the reach of children to minimise the risk of injury.
