Safety Instructions:

- Carry lids with suitable aids, as they can be heavy.
- Cover the lid securely to avoid injury during transport or storage.
- Avoid stacking more than two containers to prevent overloading.
- Keep the products away from children as they are not suitable for children.
- Check the integrity of the lid for cracks or damage before use.
- Make sure that the lid sits securely on the container to prevent accidents during transport.
- To avoid injury, do not climb on the lid or place heavy objects on it.
- Store the products in a dry, safe place to ensure shelf life.
- Only use for the specified load capacity up to 200 kg to prevent material failure.
