Safety Instructions:

- Ensure safe installation and use of the product in accordance with the manufacturer's instructions.
- Before using the product, ensure that all connections are correctly and firmly tightened to prevent leaks.
- Do not exceed the maximum capacities for storage tanks and large storage tanks: 2000 litres for storage tanks and 3000 litres for large storage tanks.
- Protect the product from direct sunlight and extreme temperatures to prevent material damage.
- Regularly inspect the screw connection for signs of wear and replace if necessary.
