Product Safety Information

Maschinengewindebohrer DIN 374C Univ.M16x1,5mm HSS-Co vap.6H PROMAT

Manufacturer/Responsible Person: Schäfer Shop GmbH, Industriestraße 65, 57518 Betzdorf, Deutschland
E-Mail: info@schaefer-shop.de

Please note the technical data of the products!

Article Numbers: 707934, 707933, 707931, 707930, 707929, 707928, 707927, 707926

Safety Instructions:

- Caution: Sharp edges and points can cause injuries. Wear suitable protective gloves.
- Wear safety goggles to avoid eye injuries caused by chips or when drilling.
- Keep out of reach of children. Not suitable for children under 12 years of age.
- Wear suitable personal protective equipment (e.g. gloves, safety goggles) during use.
- Avoid contact with eyes; in case of contact, rinse thoroughly with water.
- Do not turn directly in the direction of the body or avoid contact with rotating parts during use.
- Secure the workstation to prevent the tool from falling or slipping.
- Read the instructions for use carefully before use and only use for the intended purpose.
- If you are unsure, consult an expert. Before use, ensure that the drill bit is suitable for the material in question.
- Before use, check that the drill bit is not damaged; ensure that the machine is switched off before changing the drill bit.
- Choking hazard due to small parts (e.g. chips or small parts).
- Always keep the workplace clean and free of obstacles. Always work in a safe and stable environment.
