Please note the technical data of the products!

Article Numbers: 707940, 707939, 707938, 707937, 707936, 707935

Safety Instructions:

- Take care with sharp edges and points. Wear safety goggles to avoid eye injuries.
- Wear protective gloves to avoid cuts.
- Read the operating instructions and safety instructions before use. Only use in accordance with the manufacturer's instructions.
- Use appropriate personal protective equipment (PPE), including safety goggles, gloves and hearing protection.
- Do not use the product near water or in damp conditions.
- Only use suitable materials for machining to avoid overloading.
- Only allow the product to be used by specialised or qualified persons.
- Keep the product out of the reach of children. Not suitable for use by children.
- Before use, ensure that the product is in perfect condition.
- Use the product on stable, level surfaces to avoid accidents.
- Avoid contact with moving parts to prevent injury.
- Ensure that the drill bits do not overheat; regular cooling is advisable.
