Safety Instructions:

- When using the ladder outdoors, pay attention to weather conditions; do not use the ladder in windy or bad weather conditions.
- Only set up the ladder on firm and level ground to prevent it from tipping over.
- Please ensure that the ladder is properly tightened before transporting it.
- Use in the commercial sector should be in accordance with the relevant safety regulations.
- Use fall protection equipment when working at heights.
- Please only use the ladder in an upright position.
- Ensure that the foot plugs are clean and intact to prevent slipping.
- Observe the maximum load capacity of the ladder and do not exceed it.
- Check for mechanical damage or wear before use.
- Prevent children from accessing the ladder to avoid accidents.
