Article Numbers: 306319, 306318

Safety Instructions:

- Only use the ladder on firm, level and stable ground.
- Make sure that the foot plugs are working properly to prevent slipping.
- Do not exceed the recommended maximum height to avoid tipping over.
- Avoid excessive loads to prevent breakage of the rungs or overloading.
- The ladder should be checked regularly for damage or wear and replaced if necessary.
- Ensure that the ladder is fully engaged before climbing onto it.
- Keep the ladder away from electrical cables.
- Protect children from the ladder to avoid dangerous situations.
