**E-Mail:** info@krause-systems.de

Please note the technical data of the products!

**Article Numbers:** 306335, 306334

### Safety Instructions:

- Do not exceed the maximum load capacity.
- A stable and safe standing surface is required when using the ladder.
- Ensure that the ladder is set up on firm and dry ground.
- Ensure that the ladder is used on a stable, solid surface.
- The ladder is only suitable for use by adults. Children should not use it alone.
- Observe the initial confirmation of the safety instructions before first use.
- Avoid using the ladder in gusts of wind or bad weather conditions.
- Always secure the ladder against falling over, especially on slightly inclined surfaces.
- Do not use the ladder as scaffolding or if the rungs are overloaded.
- Ensure safe ascent and descent thanks to all-round profiled rungs.
- Ensure high stability with wide crossbars.
- Use only in accordance with the operating instructions and safety instructions.
