Safety Instructions:

- Ensure that the ladder is used on a stable and level surface.
- Do not use the ladder to climb over roof edges or other dangerous areas.
- Do not leave any heavy objects on the ladder to avoid imbalance.
- Check all connections and joints for proper function and safety before use.
- Always hold the ladder in an upright position and use an additional person for support if necessary.
- Avoid using the ladder in poor weather conditions such as wet or windy conditions.
- Follow the manufacturer's instructions for installation and use carefully.
