Please note the technical data of the products!

Article Numbers: 707153, 707152, 707151, 707149, 707148, 707147, 707146, 707144, 707143, 707142, 707141, 707140, 707138, 707137, 707136, 707135, 707134, 707132, 707131, 707130, 707129, 707128, 707126, 707125

Safety Instructions:

- Risk of injury due to improper use of the tool. Wear suitable protective equipment (e.g. safety goggles, gloves).
- Not suitable for children under 12 years. Keep out of the reach of children.
- Enclose safety instructions for operation and use. Read the operating instructions carefully before use.
- Wear safety goggles to avoid eye injuries from metal chips or fragments.
- Wear gloves to prevent cuts during processing.
- Only use the tool for its intended purpose. Do not work with damaged or worn tools.
- Keep the work area clean. Wear suitable protective clothing and avoid distractions.
- Store the tool safely and away from unauthorised access. Clean carefully after use.
- Do not use near flammable materials. Only use the product in well-ventilated conditions.
- Use by trained specialists or under supervision. Risk of injury due to improper technique.
- Make sure that no loose items of clothing can get into the machine.
- Only use in the intended direction of rotation to avoid damage.
- Do not use excessive force to prevent the tool from breaking.
- Use suitable tools and personal protective equipment. Only suitable for professional users.
