Artikelnummer: 660247

Sicherheitshinweise:

- Manufacturer must ensure the chair meets safety standards before market release.
- Ensure stability and strength to support a weight capacity of 250 kg.
- Warning: Improper use of the height adjustment mechanism may lead to accidents.
- Regular inspections are recommended to ensure that the chair's components are functioning correctly.
- Provide clear instructions on handling and maintenance to prevent accidents.
- Advise users to use the chair only on appropriate surfaces to avoid tipping or falling.
