Confirmation to VO (EG) No. 1907/2006 (REACH regulation), Art. 33 with extension (EU) 2018/2005, taking into account the SVHC candidate list from June 27th, 2024

The European Chemicals Agency ECHA has published a special list on the website with Substances of very high concern that meet the criteria of Art. 57 of the REACH regulation and were determined according to the procedure of Art. 59 of the REACH regulation (<http://echa.europa.eu>).

It must be ensured with reference to Art. 33 (2) of the REACH regulation that the concentration of these substances of very high concern in the shipped Products in proportions not exceeding 0.1%.

We confirm, in constant coordination with our suppliers, that we are committed that in the products delivered by Schäfer Shop GmbH are no Substances of very high concern included within the meaning of REACH regulation 1907/2006 with extension 2018/2005.

Confirmation of RoHS conformity

Since 2006 in the EU, the use of certain hazardous substances in electrical and electronic devices has been regulated by the EU directives. The EU directive is current 2011 / 65EU applicable. In March 2015 it was changed by the EU Directive (EU) 2015 / 863EU extended (RoHS 10). This lists additional substances. Their use is restricted since 2019.

We confirm, in constant coordination with our suppliers, that all products supplied by Schäfer Shop GmbH comply with the directive 2011/65 / EU and the extension 2015 / 863EU.
